EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with the attorney for applicants, Jay S. Cinamon, Esq. (Reg. No. 24,156) on July 20, 2005.

The application has been amended as follows:

Canceled claims 20-31

Claim 1, line 49: inserted --said write head register,-- after "responsively to"

Claim 17, line 3: replaced "said header" with --a header--

Claim 33, line 7: replaced "the" with --a--

2. Claim 1, as amended above to provide consistency between applicant's amendment on page 4 and applicant's remark on page 12, is generic and allowable. Accordingly, claims 32-33 are no longer withdrawn from consideration since claims 32-33 depend from or otherwise include each of the limitations of an allowed generic claim.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance: the prior art, individually or in combination, does not teach the receiving CPU being coupled to periodically update the second total read register in the transmitting CPU with a content

Art Unit: 2182

of the first total read register using one or more write operations, and the transmitting CPU being coupled to write data comprising one or more message separators and one or more messages into the circular queue, responsively to the write head register, the second total read register, the total write register and the second queue length register.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thanh Quang Nguyen whose telephone number is (571) 272-4154 and whose e-mail address is tanh.nguyen36@uspto.gov. The examiner can normally be reached on Monday-Friday from 8:30 AM to 5:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dov Popovici, can be reached on (571) 272-4083. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306 for After Final, Official, and Customer Services, or (571) 273-4154 for Draft to the Examiner (please label "PROPOSED" or "DRAFT").
